

## Quick & Easy Recipes

### *You, Hubby, Flowers of your choice.....*

(Serves 2)

Your favourite flowers

Several pieces of paper decorated to your personal choice

His favourite perfume that you wear

2 x small gift boxes

Romantic music with meaning to both of you

1 x bottle of aromatic massage oil

Several small chocolates

1 x you attired (if brave in some sort of fantasy outfit e.g. French maid, if you are fortunate to have a good figure, then a gorgeous nighty with stockings and suspenders or if of fuller figure, lovely long sensual night gown.

His favourite chilled glass of whatever next to his bed!

\* Put your choice of  flower on the seat of his car or in his briefcase if he takes the train or if cost is involved, it is just as appropriate to take flowers from the garden. (Leave no note, just the flower!)

 \* Place a small gift-wrapped box in a prominent place with a note saying 'open me!', for when he returns home

\* Inside have a note telling him one reason that you love him and instructions to follow the trail of flowers..

\* Tie a couple of clues to some flowers (using your imagination) to what awaits him upstairs, besides the massage!

\* Have romantic music playing and the other wrapped box on the bed with a note 'undress, then unwrap box!' Inside, massage bottle..

\* Make sure sides of duvet are folded back and put chocolates on his pillow - also spray the bedding with your perfume.

\* As soon as noise of him getting undressed and prepared quietens down then walk in and give him the gift he will have been waiting for all along - the love of his life!
